**2005 CITY OF TROY RECREATION DEPARTMENT
3-ON-3 SUMMER HOCKEY LEAGUE**

The City of Troy Recreation Department is again offering a 3-On-3 Summer Hockey Program which will help in developing stamina, ice awareness, skating and stick handling skills, more contact with the puck, and an emphasis on passing and shooting skills.

The league will be available for players ages 6-18 years of age.

Players will register to participate in their appropriate age division they will be participating in during the 2005-06 season. 2004-05 IP participants are eligible to play in the Mite 3-on-3 division or appropriate age division.

The league will consist of two (2) games per week for six (6) weeks totaling twelve (12) games for the session with a one day tournament at the conclusion of the session.

Coaches will split the players in each division into two (2) (or four (4) teams in Squirrels and Mites if applicable) equal teams each game allowing players to form different teams each game.

Games will consist of 40 minutes running clock with a 5 minute warm up period, players changing on the fly. Off sides will be whistled and the puck given to defending team. No icing will be called. When a goal is scored, the puck is pulled out of the net and play continues. No checking allowed. Any checking will result in a penalty. Intent to injure will result in a game suspension. Two such infractions the individual will be suspended for the remainder of the season without a refund.

All games will be refereed by one official.
